INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF M/S. PACIFIC PLYWOODS PRIVATE LIMITED Report on the AUDIT of Ind AS Financial Statements

OPINION

We have audited the accompanying financial statements of **M/S**. **PACIFIC PLYWOODS PRIVATE LIMITED**, which comprises the Balance Sheet as at March 31, 2024, the statement of Profit & Loss for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India.

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2024 and
- (b) in the case of the Statement of Profit and Loss, of the **Profit** for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our *professional judgement*, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors are responsible for the matter stated in Section 134(5) of the Companies Act, 2013 (" the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the company in accordance with the Accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF FINANCIAL STATEMENTS

Our objectives is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

• Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the under lying transactions and events in a manner that achieves fair presentation.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequence of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by section 143(3) of the Act, we further report that :

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purposes of our audit ;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books ;
- c) the Balance sheet, and Statement of Profit & Loss dealt with by this Report are in agreement with the books of account;
- d) in our opinion, the aforesaid financial statements comply with the applicable Accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e) On the basis of written representations received from the directors as on March 31, 2024, taken on record by the Board of Directors, none of the director is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
- f) Since the Company's turnover as per last audited financial statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us ;
 - (i) The Company does not have any pending litigations which would impact its financial position.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - h) (i) The Management has represented that, to the best of it's knowledge and belief, as disclosed in the notes to the financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (ii) The Management has represented that, to the best of it's knowledge and belief, as disclosed in the notes to the financial statements, no funds have been received by the Company from any person(s) or entity (ies), including foreign entities (Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (" Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (iii) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that cause us to believe that the representation given by the Management under subclause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

i) The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

PACIFIC PLYWOODS PVT. LTD. Notes to Financial Statements as at and for the year ended 31st March 2024

1 Corporate Information

Pacific Plywoods Private Limited (the Company) is a private limited Company domiciled in India and incorporated under the provisions of the Companies Act, 2013.

Statement of compliance

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015. Upto the year ended March 31, 2017, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standard) Rules, 2006. The date of transition to Ind AS is April 1, 2022. Refer Note 2 (L) for the details of first-time adoption exemptions availed by the Company.

Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind-AS") as issued by the Ministry of Corporate Affairs ("MCA").

For all periods up to and including the year ended 31 March 2016, the Company had prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 [Indian GAAP].

Financial statements of the Company for the year ended 31 March 2024 has been prepared in accordance with Indian Accounting Standards ("Ind-AS") consequent to the notification of The Companies (Indian Accounting Standards) Rules, 2015 (the Rules) issued by the MCA.

The financial statements have been prepared on a historical cost basis, except for certain financial assets measured at fair value as described in accounting policies regarding financial instruments.

2 Summary of Material accounting policies

a. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or

Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

- A liability is current when:
- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or

► There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

Interest income

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. Interest income is included in finance income in the statement of profit and loss.

Taxes C.

Tax expense is the aggregate amount included in determination of profit or loss for the period in respect of current tax & deferred tax.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits (MAT Credit Entitlement) and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Mat Credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal Income Tax during the specified period. In the year in which the Minimum Alternative Tax (MAT) credit becomes eligible to be recognised as an asset. The said asset is created by way of credit to Statement of Profit and Loss and shown as MAT credit entitlement. The company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

d. Investment properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. All other repair and maintenance costs are recognised in profit or loss as incurred.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

Impairment of non-financial assets e.

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Companys of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

f. Provisions

General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Financial instruments q.

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

(i) Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the settlement date, i.e., the date that the asset is delivered to or by the Company which generally coincides with the trade date.

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

(a) Debt instruments at amortised cost

(b) Equity instruments at fair value through profit or loss (FVTPL)

(a) Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

(i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

(iii) Derecognition

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised (i.e. removed from the Company's balance sheet) when the rights to receive cash flows from the asset have expired.

(iv) Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

As a practical expedient, the Company uses historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates to determine impairment loss allowance on portfolio of its trade receivables.

Financial liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

(iii) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(iv) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

h. Fair value measurement

The Company measures financial instruments, such as, quoted investments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

(i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

(ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

(iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

i. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

j. Earning per share

Earnings per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

K. Critical estimates and judgments

The areas involving critical estimates and judgments are:

i) Taxation

The Company is subject to tax liability under MAT provisions. Significant judgment is involved in determining the tax liability for the Company. Also there are many transactions and calculations during the ordinary course of business for which the ultimate tax determination is uncertain. Further judgment is involved in determining the deferred tax position on the balance sheet date.

ii) Depreciation and amortisation

Depreciation and amortisation is based on management estimates of the future useful lives of the property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

iii) Provisions and Contingencies

Provisions and contingencies are based on Management's best estimate of the liabilities based on the facts known at the balance sheet date.

L. First-time adoption - mandatory exceptions, optional exemptions

i) Overall principle

The Company has prepared the opening balance sheet as per Ind AS as of April 01, 2022 ("the transition date") by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to the certain exceptions and certain optional exemptions availed by the Company as detailed below.

ii) Derecognition of Financial Assets and Financial Liabilities

The Company has applied the derecognition requirements of financial assets and financial liabilities prospectively for transaction occurring on or after April 1, 2022 ('the transition date').

iii) Classification of debt instruments

The Company has determined the classification of debt instruments in terms of whether they meet the amortised cost criteria or the Fair value through other comprehensive income (FVTOCI) criteria based on the fact and circumstances that existed as of the transition date.

iv) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

v) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or nonoccurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

c) Effects of IND AS adoption on Cash Flows for year ended 31 March 2023

			(₹ in Thousand)
	Amount As	Effect of	
	Per Previous	transition to	Amount as per
	GAAP	Ind AS	SK DUT
Net Cash Generated/(Used) From Operating Activities	(24,557.68)		(24.557.68)
Net Cash Used In Investing Activities	(28.811.75)		(28 811 75)
Net Cash from Financing Activities	53 995 52	9	53 995 52
Net Increase / (Decrease) In Cash And Cash Equivalents	626.09		626.09
Cash & Cash Equivalents at the beginning of the year	133.58	ı	133.58
Cash & Cash Equivalents at the end of the year	759.67	,	759.67

Notes:

1. To comply with the Companies (Accounting Standard) Rules, 2006, certain account balances have been regrouped as per the format prescribed under Division II of Schedule III to the Companies Act, 2013.

2. Financial liabilities and related transaction costs:

Borrowings and other financial liabilities which were recognized at historical cost under previous GAAP have been recognized at amortised cost under IND AS with the difference been adjusted to opening retained earnings. Under previous GAAP, transaction costs incurred in connection with borrowings were charged to the statement of proofit & loss in the year of borrowings. Under IND AS, transaction costs are deducted from the initial recognition amount of the financial liability and charged over the tenure of borrowing using the effective interest method.

3. Financial assets at amortised cost:

Certain financial assets held on with an objective to collect contractual cash flows in the nature of principal and interest have been recognized at amortised cost on transition date as against historical cost under the previous GAAP with the difference been adjusted to the opening retained earnings. 4. Other comprehensive income:

Under IND AS, all items of income and expense recognized in the period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognized in profit or loss but are shown in the statement of profit and loss and "other comprehensive income" includes remeasurements of defined benefit plans, and fair value gain or losses on FVTOCI equity instruments. The concept of other comprehensive income did not exist
